

VR Fun in your Cruise

Multi-generational On-board VR Entertainment

Ensure your company's success in the age of Virtual Reality!

Imagine an area in your vessel where your passengers can access a portal that can take them anywhere. They could use that portal to:

- Travel back in time
- Explore exotic locations
- Ride a roller coaster through space
- Lead a starfleet against an alien army
- Compete in team-based games (zombies beware!)
- Walk the battlements of a castle
- Wander through a haunted house
- Captain a vessel on the high seas
- Fly the skies in a hot-air balloon
- Visit an art museum or any other scenario.

Dream Machine[®]

is our turn-key multi user VR solution that will help you
build market interest and book more passengers.
